There's more to see than can ever be seen
More to do than can ever be done
There's far too much to take in here
More to see/and explore than can ever be
found
But the sun rolling high
Through the sunflower sky
Keeps great and small on the
savanna/afloat/everlasting round

It's the Circle of Life
And it moves on all
Through despair and hope
Through tears/faith/hate and love
Till we find our place
On the path/round/side unwinding
In the Circle
The Circle of Life

It's the Circle of Life
And it moves on all
Through despair and hope
